VISION:

Arise e.V seeks to provide excellent education to students from deprived backgrounds, through exciting activities that engage the curiosity of our students. We believe all children reserve the right to quality education despite their social status, provide education for children who can't afford it in order to make sure every child has an access to education.

OBJECTIVES:

- Creating sighted educational offers for children in need
- Development of a nutrition program
- Help for self-help
- To enable cultural exchange
- To create perspectives

STUDENT EMPOWERMENT PROJETCS & PARTNERSHIPS

Online Tuition –Strive 2 Thrive (Partner)
Strive2Thrive Edu is an International nonprofit organization that works to improve educational systems and infrastructure in underserved communities through its three pillars: education for all, eliminating poverty, and community development.

Curriculum Development - Kokrobitey Institute
The KI is a unique environment for learning and creative exploration. Their mission is to support development by facilitating projects and programs that demonstrate the intersections between Art, Culture, Design, Health and Sustainability.

Grow Ghana
Grow Ghana is a Ghanaian-German initiative that provides young pupils with digital and soft skills training. They empower students with vital IT skills for a digital.

OUR SDG COMMITEMENT

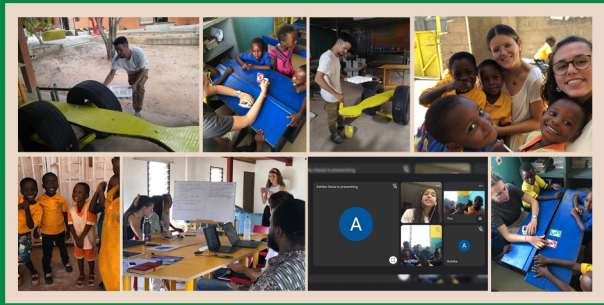
We are committed to

SDG 2 – Zero Hunger
Our students get freshly cooked and healthy meals every day at school.

SDG 4 – Quality Education
Our focus is mostly on curriculum development in other to give our students an

SDG 10 – Reduced Inequalities
Our most important goal is to give the less endowment students a chance for education and to open up future perspectives for every child.

SDG 17 – Partnerships for the goals
We work closely with our partners GrowGhana, Strive2Thrive and Kokrobite Institute to reach our goals.



VOLUNTEER

- Our work at Arise thrives on the selfless commitment of volunteers / Interns who are predominantly from Ghana and Germany. We have a large network of volunteers who donate and support our school project with their skills. Out first weltwärts Interns arrived in Ghana in September, 2021 and, who are staying in Ghana for a year.
- "Even in a short time you get the feeling that you can play a significant role in shaping and changing something" – Jenny, 2019
- It doesn't matter if you're from Ghana or not, you can volunteer with any skill you have or anything you are interested in regarding our project.
  We are searching for long and short term volunteers, who love to be part of the Arise Team either in Ghana or Germany.

  Examples for voluntary work from our last interns are fundraising, reading club, school nurse, every day work in school, social media, curriculum development, etc.
- We are always looking for people who care about the values of our project and who want to be a part of it, so if you want to share ide as and develop our project further with us, we would be amazed if you join our team on a voluntary base.
