

INTRODUCTION

Cherish Others organization- Kenya is a registered non governmental organization mainly based in Southern Rift Valley and Nairobi provinces of Kenya.

MISSION STATEMENT

The organization exists to improve the livelihoods of the resource poor communities through information sharing, education and providing support and care while working towards reducing HIV/AIDS prevalence within their environment.

VISION

World in which liberated women and vulnerable individuals in the Kenyan society enjoy life and are free from threats of ignorance, poverty and health afflictions.

TARGET AREAS

Currently, our operations are concentrated in Kibera slums in Nairobi and Rift Valley provinces.

Cherish Others Organization challenges the unhelpful traditional customs such as child marriages and Female Genital Mutilation which perpetuate marginalization of women. Also, contributes to advocacy campaigns on issues affecting the girl child such as education, girl rights and adolescent pregnancies as well as mentoring of young girls for professional development.

In Kibera slums, the organization seeks to improve the livelihoods of Children from destitute families by keeping them off the streets, making food and materials donations to the poor families.
