

PALAPIS-KALIKASAN

Papel, Lapis, at Kalikasan

"paper and pencil for nature"

Palapis-Kalikasan is a joint outreach program of UPHILSAMS (UP Society Agronomy Major Students) and BRMFI (Bukidnon Resource Management Foundation, Inc.). It aims to enhance learning among indigent schoolchildren of marginalized communities in priority conservation sites in the Philippines. It also intends to stir up awareness on conservation among schoolchildren in remote schools of target locations.

Assistance:

- Distribution of writing pads and pencils to students/pupils/kids in identified grade schools in identified rural communities;
- Conduct of conservation education activity and distribution of kit in target schools.

Beneficiaries:

- Preschoolers to Grade VI indigent students of identified schools;
- Schools located in very remote areas in the target locations.

Target Locations:

- **Mindanao** (Davao, Bukidnon, North Cotabato)
- **Luzon** (Laguna, Batangas, Quezon, CamSur/Norte, Albay)
- **Visayas** (Cebu, Ilo-ilo, Bacolod)

YOU ARE WANTED!

HERE'S How YOU can HELP...

1

Donate CASH

- a pencil and a pad of paper @ 15 pesos per child
- conservation kit per school @ 500 pesos.

2

- Donate In-Kind**—share us your spare new pencils and writing papers and we'll pool them to distribute among our beneficiaries.

3

- Sponsor a School**—you can sponsor an identified school or school of your choice to cover the cost of the pencils, pad papers and the conservation kit.

our fundraising goal...

4th quarter 2011 = 10,000 children with pencils and pad paper; 100 schools with conservation kit.

1st-4th quarter 2012 = 60,000 children with pencils and pad paper; 600 schools with conservation kit.
