Summary of Activities

On behalf of BERUDA—Cameroon, thank you so much for your generous support!

BERUDA is proud to announce that you played a vital role in making our organization reach where it is now with the project “Prevent Blindness-Fund Cataract Surgeries.

With BERUDA’s goal to raise seed funds to construct a poultry farm, buy and raise chicks and purchase necessary medications and vaccines to create an income-generating business that will finance cataract surgeries for high-priority patients. The funds raise by Freedom from Poverty has been able to pay for the preparations of the floors, the breeding rooms and the buying of chicks to begins the poultry farm and we are still owing for labour cost.. BERUDA still need **£300** to get the poultry farm at a good footing.

The BERUDA team greatly appreciates your dedicated support displayed through the season and we thank you on behalf of the intended beneficiaries of the cataract Surgeries.

This the poultry farm already with door shorter completed.

Problem encounter:

We have encounter some problem with the 2 higher technicians who could not carry out there assign duties well and so we have to recruit another female worker that is currently undergoing orientation. Another aspect is that we have had some problems with some loses of the chicken do to the carelessness of those higher technicians and we had mortalities rate of 100 mortalities record. Out of 200chicks that were bought.

Cautions have been taken down as the services of vetinary staff technician from the government bench to be involves the implementation of the project. With their technical advices.

Next Steps

BERUDA's is requesting from Freedom From Poverty to continue to fund raise **£300** to get the poultry farm at a good footing for buying of more one day old young chicks, etc. and above all to see that the project is achievable and sustainable.

We are pleading with Freedom From Poverty to kindly raise the remaining
