

Project on Economic Development

Title

Social inclusion of people with Disabilities

Project Summary

Disability directly and indirectly affects a significant proportion of the world's population. The World Health Organization estimates 15% of people worldwide are affected by disability (over 1 billion people) one household in four is said to include a person with a disability.

Disabled people and their families tend to be among the poorest of the poor because of factors including:

Lack of education

Limited job opportunities

Reduced family income because of caring for a dependant

Theme

Economic Development

Requested Funding

USD-15000

What is Problem?

People with Disabilities are not treated like human; society does not provide space for any opportunity. There hundreds people with disabilities are living with any job, due to joblessness; people with disabilities are living tough life. Many of them have committed suicide. NDF has planned to engage people with disabilities in small business to earn their bread in dignified way & with dignified access. NDF has proposed this project with investment of PKR-6000 for one person, who may be engaged.

How will this project solve the problem?

NDF has proposed plan to engage people with disabilities in small business to earn their bread in dignified way & with dignified access. NDF has proposed this project with ivestment of PKR-6000 for one person, who may be engaged at his/her doorstep. NDF has vocational centers, from many about 250 people have received training in various cadars. NDF will engage them as per their ability & command over profession with little investment. NDF will monitor his activities & wiil ensure market access.

Potential Long Term Impact
