

Preschool of Future for rural poor kids in China

The 4th report

Since April 2013 till March 2014, Shanghai United Foundation and Humana People to People together have strived to promote Globalgivingonline donation “Preschool of Future for rural poor kids in China”project in different channels –organization website, QQ, Facebook, Emails and information spread among friends. Now we already have 36 donations total amounting 2272 USD, and left 4538 USD.

Thanks to all the donors for the support to this project!

In this period, besides daily preschool running, we also had many guests from some Chinese foundations.

The preschool is also the center of community, many cultural events in the village is carrying out here.

Teachers receive monthly training in the project office as well as group discussion every bi-week.

Hygiene and nutrition project

Environment protection and tree planting activity in the village
