New List of Beneficiaries

1)

Name of child: Nakate Jackline

Age: 18y

Place of Residency: Kiyuni Mubende

Mother : Namuyaba (aged 52) and HIV positive

Father: Died

School Status: In school but did not sit for end of ordinary secondary level /UCE examinations due to lack of money for fees and exam registration. Now need support for fees and registration to sit for UCE exams this year.

Home environment: Live in abject poverty with her 52 year old mother who is not employed. The family depends on subsistence farming for producing food basically for consumption. Live in a two roomed house made of mud walls with wattle and grass thatched roofing.

Major Problems at home: Inadequate food security at home, lack of income generating activity, and lack of school fees and materials.

Jackline with her Step mother at Home

2)

Name of child: Nakayita Juliet

Age: 16

Place of Residency: Kalongo village-Bukuya sub/county

Mother : Nansikombi Alice- a Peasant farmer

Father: Died

Guardian: Zziwa Eward Birungi Amooti

School status: Studies at St Thereza Kkungu S.S.S

Class: secondary form Two

Home environment: Poor housing **condition** with a two roomed house made of mud walls with wattle and old tin roofing.

Juliet has five other young y6 siblings who are all orphans (two brothers and three sisters)

Major Problems at home: Inadequate food for home consumption, poor housing with inadequate aeration, and limited income generating activities at home. Need to be supported with school fees and other scholastic materials.

Top left and right; Juliet with her mother at home and below left Juliet with the goat she left from HVU to boost family income; and right, Juliet at school

3) No photo as child is currently away visiting a distant relative to seek for fees

Name of child: Naluwaga Sharon

Age: 14

Place of Residency: Bukuya trading center

Mother : Nalongo Nakayi- Peasnat farmer

Father: Died

School status: Studies at Mityana Ebenezer S.S.S

Class: secondary form one

Home environment: Inadequate food security, and mother not employed or involved in any income generating activity, and very poor housing condition sleeping in a two roomed house.

Major Problems at home: Lack of money for school fees, and other school requirements, and inadequate food and clothing. Child need to be supported with schools fees and supplies and clothes.

4)

Name of child: Nanyanzi Sylvia

Age: 16

Place of Residency: Nabutiti village, Kabosi parish-Bukuya sub/county

Mother : Abandoned after the death of her father when she was just 2 years and has never been seen again.

Father: Died

Guardian: Nabisenke Teopista (Paternal grandmother aged 65)

School status: In school at St Thereza Kkungu S.S.S

Class: Secondary form Two

Home environment: Poor household and grandmother sells local brew from which she struggles to raise her fees.

Lives in a two room mud house with inadequate aeration for good health.

They stay eight in the two room house and 3 of the children are orphans while the 4 are her own children.

Major Problems at home: Leaves on a small piece of land with limited space for cultivating food and thus causing food shortage for the family. Sylvia's grandmother hires land in a distant area where she grows food to feed her seven member family. Sometimes she is forced to sell of a small amount of the harvest to raise some money to buy school items like uniform and books for Sylvia.

Left; Sylvia with her grandmother and other family members in their maize garden while at the right; Sylvia and her grandmother seated outside their house which is two roomed

Above and below left; Sylvia at school, while right Sylvia, Juliet and Grace with their school head teacher. The head teacher says none of the three has paid a single coin at school for the current school term
