

Patient Story

Sajida Ali

Sajida Ali resident of Quetta is a student of Grade-3. She failed in Grade-3 for the past two years which caused concern both at school and home as Sajida had been a bright student in Grade-2. On investigation it came to light that Sajida was unable to see properly and as a consequence was facing difficulty in coping with her studies.

Sajida's father took her to a doctor who diagnosed cataract in both eyes and recommended immediate operation costing about Rs 25,000/- an amount the family just could not afford. She and her family were very depressed as they pondered over her bleak future.

Then a friend of her father told him about the state of the art **free services** available at LRBT's Eye Hospital Quetta. Sajida was taken there where the earlier diagnosis was confirmed. Subsequently surgery was performed in both her eyes successfully.

Her sight is now back to normal and she is back at school excelling once again in her class. The family and the teachers are very happy at this miraculous turnaround and are full of prayers for the founders, donors and the doctors and paramedics of LRBT which made this possible.

NEW HOSPITALS AT ARIFWALA AND MANSEHRA

Construction work of new hospitals at Arifwala and Mansehra is in progress. These hospitals will be operational before the end of this year.

RASHIDABAD FREE SECONDARY EYE HOSPITAL OPENED ON 2-JUNE-2008

Rashidabad hospital (40 Beds) located 30 km east of Hyderabad on the road to Mirpurkhas has been built to our specifications by the Rashid Memorial Welfare Organisation (RMWO) and leased to us for 50 years at a nominal consideration of Rs. 100 per month. It has replaced the Tando Adam facility, which has been converted into a Primary Eyecare Centre (PEC).

LRBT Free Secondary Eye Hospital Rashidabad
