## VISIONAR students and Atrapasueños meet Globalgiving representative Natalie Russell.

My name is Darío and I am writing this letter on behalf of all VISIONAR students.

“An enriching experience”, is the first thought that comes to mind when I think about Natalie Russell, a Globalgiving representative that visited us in San Francisco (Argentina) back in March. During Natalie’s stay, Asociacion Atrapasueños and the VISIONAR students provided an update related to:

- VISIONAR objectives
- Our student selection process and the requirement to obtain and to maintain the scholarship
- Who are the current scholarship recipients, their career and personal goals

In turn, Natalie provided great support to us, explaining how we could improve our visibility within the Globalgiving platform, and how we can improve our fundraising strategy.

In addition, Natalie contributed her knowledge and her great disposition. The mere cultural exchange between Natalie and the VISIONAR students was extremely valuable. Natalie helped us widen our perspective of the world and to understand that solidarity has no borders. Finally, Natalie encouraged us (VISIONAR students) to continue our efforts to reach our dreams.

We know that reaching our goals is possible, especially when we see the support received through Atrapasueños, the organization behind VISIONAR scholarships. As a beneficiary of this program, I appreciate that support, and I attest to Atrapasueños’ commitment to each and every one of the students receiving scholarships.

Gracias ATRAPASUEÑOS!

Gracias GlobalGiving!

Gracias Natalie for a splendid and productive visit!

We will always be grateful for all this support!
