

MESSAGE FROM MAMOON AKHTAR (DIRECTOR:-  
SAMARITAN HELP MISSION) TO GLOBALGIVING AND ALL  
THE KIND HEARTED FRIENDS WHO  
HAVE SUPPORTED IN 2009

Dear Friends, Wish a very happy new year 2010, God Bless you and your children for the support and trust you all bestowed upon Samaritan Help Mission. I recollect back in 2001, when Samaritan Help Mission was founded in a small room with 6 children with a dream

to bring back each child back to school and empower the poor girls so that they could lead their lives in dignity and honor, providing better health care to the children, women and elderly,

Meeting with Global giving team at Chennai has been a blessing for the cause and that have opened a new avenues and adding daily new friends to Samaritan Help Mission. Helping the poor and underprivileged never go in vain, The QURAN SAYS' *Spend on people, I will spend on You*'

The support to the two projects EMPOWER 200 Girls through Vocational training as strengthen the project and more girls are going to be employed. New unit for working will be established that will cater more girls and more employment opportunities will be created.

The Support towards Tiffin program is also strengthening the program and children are very much happy to get daily breakfast from school and more children are joining the school.

Presently we had 200 Girls under Vocational training project.1000 Children under Illiteracy Elimination project, 12000 poor people are getting health care per month.

Still it is a long journey but when you all are by the side, surely the journey will be completed.

Please Continue to shower you love and keep us in your prayers.

Best wishes and Regards,

SHM Team.

HAPPY NEW YEAR 2010.

The 1<sup>st</sup> Day of Jan-2010
