

BarejaAppeal (Folder: Bareja)

**SEEING IS BELIEVING.....**

**Your belief in us will make many more SEE.....**

We at Blind People's Association in Ahmedabad, India have pledged that no one will become needlessly blind.....

We will appeal to friends and well-wishers to help us to reach out to all in need...

We have set up the Navalbhai & Hiraba Eye Hospital at Bareja outside Ahmedabad to give free surgical services to the needy.

A Sight saving Surgery like a Cataract operation costs INR 1,300 (approximate 30\$) only, a very small cost for enabling a person to see this beautiful world.

Other surgeries include repairing damage to the cornea-the clear transparent part of the eye....  
A rural camp will help us to reach remote villages to check people who have eye problems and bring them to our Hospital.

**Other options for supporting eye care are:**

1. **Posterior Capsular Opacity (PCO): US \$ 2**
2. **Catarat Syurgery: US \$ 30**
3. **Rural Camps: US \$ 50**
4. **Corneal Transplant: US \$ 200**

Blind People's Association works with people who are blind, deaf, who cannot walk, who have intellectual disabilities-so that these persons can achieve their potentials and fulfill their dreams.

Visit our website: [www.bpaindia.org](http://www.bpaindia.org) and see our multifarious activities.

CONTRIBUTE TO BPA SO THAT YOUR BELIEF IN OUR CAUSE HELPS THOUSANDS OF PEOPLE TO SEE

As you open your eyes to see the world..... remember there is someone who cannot see it.....
