• Chronology of Activities

Capoeira Cidadã Videos 07/01/2009

- The videos published on Youtube, made by the volunteers Chaney "Barbudo" e Livia Kropft, introducing the work done by Capoeira Cidadã, became an important source of our work.

[Video by livia Kropft \(em português\)](#)

[Video by Barbudo \(in English\)](#)

Pre-Signing February/2009

- During the whole month many contacts were made with the public schools around to inform about the capacitating project of new students and the search of partnership with other schools. We were able to get the names of 160 people interested in participate in the project.

Signing Festival 03/07/2009

- With the beginning of the classes already scheduled we called 80 selected students among the pre-signed to participate in the signing festival, when we offered the avaluation: Functional, Psychomotor, Deontological, Medic and Economically-social. The event took place at the BODY PLANET Academy, project's partner in 2008.

The classes at the MERCK will begin on March, 09th.

Begining of the activities at Merck 03/09/2009

- The activities of the project Capoeira Cidadã started on March, 09th at MERCK. The activities includes capoeira classes, handcraft and school support.

Capoeira Class

Handcraft Class

**School Support
Class**

Tables and Chairs Donations 03/09/2009

- We thank the school Suíço -Brasileira, that on March, 09th, donated tables and chairs to the school support classes, where those benefited from the project has classes of school revisal and support to alphabetization.

Celebration for those who have anniversary on the month 03/31/2009

- Every last Friday of the month is made a Celebration for those who have anniversary on the month, on the day 31 we accumulated the months of January, February and March.

Distribution of Uniforms 03/31/2009

- On April 17th, those who benefit from the project received the uniform during a fun capoeira's wheel, with the presence of the invited professors.

Capoeira Quiz– 04/24/2009

- We launched the CAPOEIRA QUIZ that has the goal of motivating the improvement of the school status, frequency and commitment with the project activities. The five students who have the five best scores will participate on the CLINICAP, event that will take place between July 18th and 19th, at the Pousada Fazenda Imperial with the participation of capoeira players from many parts of the Grupo Capoeira Brasil.

Assignments and maximum scores:

Last school note– 20 points

School Frequency – 20 points

Frequency on the project – 20 points

Work on group (presentation) – 15 points

Research or Letter(individual) – 15 points

Classes Performance – 10 points

Chaney Harrison – "Barbudo"

Volunteer Barbudo – Brown University – 06/05/2009

- Since the beginning of June we have been helped by "Barbudo", Chaney Harrison, who came from Brown University to work as a volunteer in the project Capoeira Cidadã and to study its impacts in the community.

Inauguration of the Centro Cultural Capoeira Cidadã – 06/06/2009

- The Festa Junina of Inauguration of the CENTRO CULTURAL CAPOEIRA CIDADÃ, was a success!!!

We thank the support of RICA ALIMENTOS and the participation of those responsible and friends of the project who made the event possible.

- Supporters and volunteers of the project were present, playing and having fun along with the parents and students from the project.
