

Updates on Support high school students in Tohoku

As of December 2014

AMDA has been supporting high school students in Tohoku Region of Japan that had received a massive destruction from the earthquake and tsunami of March 11th, 2011. We would like to thank all the donors and supporters from around the world who have shown their compassion and given support by sending donation through Global Giving.

Charity Concerts

In the past, AMDA have organized Kizuna Concerts connecting Otsuchi High School Brass Band in Iwate Prefecture, with Shujitsu High School in Okayama Prefecture (home to AMDA).

Recently, we have received a letter that was composed by Otsuchi High School Brass Band members, and would like to share their heartfelt appreciation with our donors.

Letter from Otsuchi High School Brass Band

Dear Everyone at AMDA,

On behalf of Otsuchi High School Brass Band, we would like to thank you for your continuing support. We are overflowing with happiness that so many opportunities were given to us to perform in different parts of Japan throughout the year.

Words cannot express how grateful we are for all the support and applause we received from you at the past Kizuna Concerts that was sponsored by AMDA. At this point, we are unable to repay you the kindness, but we will continue to play the music which is the least we can do to thank you.

We wish you all the best for your good health and continued success.

With warmest regards,

Students of Otsuchi High School Brass Band
