

**Updates on
AMDA International Scholarship Program for Students in Tohoku, Japan
The Association of Medical Doctors of Asia**

As of September 2014

AMDA has been supporting to the high school students living in Tohoku region, where the number of lives has been impacted by the Great East Japan Earthquake and Tsunami on 11 March 2011. AMDA International Scholarship Program has started in March 2011 and 274 students of 8 schools have received the scholarship in the past 3 years. Each student receives 15,000yen (about 147USD) per month until she/he graduates high school.

Charity Concert to support Tohoku
(Okayama, March 2014)

Breakdown of Scholarship Recipients:

Year	Number of students
2011	86
2012	101
2013	66
2014	28 7 students are newly added.
Total	281

We are happy to announce that 7 students newly joined our scholarship program as recipients during this reporting period (July-September 2014). 5 students are in the 3rd grade and 2 are in the 2nd grade of a high school in Otsuchi town, Miyagi prefecture. Thanks to the warm support from our donors, we are able to continue to support high school students in Tohoku Region.
