

VERMPET

Giving back to 'EARTH'

www.vermpet.org

Some shocking facts : The Need

DID YOU KNOW?
Delhi produces min. 8000
tons of waste everyday
which is equal to the
weight of approx. 1,00,000
cars.

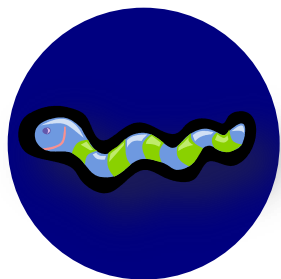

DO YOU THINK about all
the choices you make that
generate more wastes and
lead to environmental
degradation?

DID YOU KNOW?
Most of our waste is
dumped on landfills due to
which the area needed for
landfills has increased by
20,000% in the last 50 yrs.

DO YOU KNOW of the harm
CHEMICAL FERTILIZERS do to
the earth , your food and YOU?

The Project

- **Aim and Objective**

Vermipet is an entrepreneurial project which aims towards spreading the concept of vermicomposting as an effective waste management tool, by

- organising awareness generation workshops at educational institutes and RWAs, as well as engaging the future leaders, i.e. School children in the activities
- providing households and larger organisations with effective, efficient, compact, modular and easy-to-monitor, decentralised multi-chamber vermicompost bins

- **Implementation**

**Approach Schools and RWAs :
Workshop and demonstrations**

**Set up
vermicomposting
clubs and
vermpet's bins at
the unit**

**Sale of bins
to individual
customers**

Vermipet's Bin – Stats :

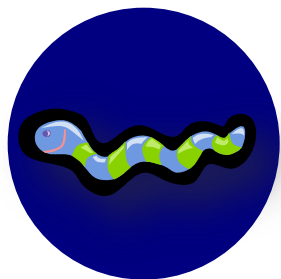

Floor area covered per bin = 12 inches X 10 inches

Waste composted per month per bin = 20-30 kgs

Vermicompost generated per month per bin = 15-20 kgs

Species of worm used in the bin = E.Fetida

Bedding = Vermicompost, Cow-dunk (first feed), paper

Story so far

- Active vermicomposting clubs and workshops organised:
- YUVA, the teacher-training programme, organised by SCERT (State Council for Educational Research and Training) for principals, vice-principals and teachers of MCD Schools across Delhi
- Jaipuria Inst of Management; Gargi College, Delhi University ;West Hostel for Women, IP University, East Hostel for Men, IP University
- Saksriti School, New Delhi; Kendriya Kanya Vidyalaya Govt. School, Malviya Nagar ; DAV, Vikaspuri ; Apeejay School, Pitampura

Mentors and Support System:

Clinton Global Initiative University
Global Engagement Summit, Northwestern University, Evanston, Illinois
Sameer Guglani and Nandini Hirannah, Founders – Morpheus Venture Partners
Ms Agatha Sangma, MoS for Rural Development is a satisfied customer
Anand Farms, Gaziabad

Achievements:

- Winner, Outstanding Commitment Award, Clinton Global Initiative University – 2009
- Winners at international B-Plan competition organised by BITS Pilani ,NITIE Mumbai, IIT-Guwahati , Bhartiya Vidyapeeth College, Oxford University – Said Business School, SP Jain
