

# Five Precious Daintree Rainforest Properties for Sale

Lots 16, 17 and 18 Forest Close, Forest Creek

Value: Priceless

**Threat of development:**  
Extremely high

**Location:**  
Adjacent to Daintree National Park/World Heritage Area

**Animals:**  
Essential habitat for the Cassowary and many other rare and endemic species

**Biodiversity:**  
Many important plants of limited distribution can be found on this property

**Conservation value:**  
Extremely high

**The three properties are located close to a recent Rainforest Rescue acquisition, Lot 15 Forest Creek Road, which is very close to the Daintree National Park/World Heritage Area.**

Rare and endangered species such as Cassowaries and Bennett's Tree-kangaroos have been seen on the property. It is classified as 'Essential Habitat' for the Endangered Southern Cassowary.

Buying all three properties at once would enable us to establish a priceless and important wildlife and biodiversity nature corridor and to significantly build upon existing Rainforest Rescue acquisitions in this area. This buy back is of vital importance.

## Lot 13 Forest Creek Road, Forest Creek

**Value: Priceless**

-  **Threat of development:** High
-  **Location:** Close to four Rainforest Rescue properties and next to the Daintree National Park/World Heritage Area
-  **Animals:** Endangered Cassowaries and Rare Bennett's Tree-kangaroos have been seen on this property
-  **Biodiversity:** 121 species of plants identified on this property
-  **Conservation value:** High

This beautiful property is located across the road from the Daintree National Park/World Heritage Area and it is close to four properties owned by Rainforest Rescue, Lots 7, 8, 9 and 15 Forest Creek Road.

Endangered Southern Cassowaries and Rare Bennett's Tree-kangaroos have also been seen on this property.

**It is classified as 'Essential Habitat' for the Endangered Southern Cassowary.**

## Lot 38 Cape Tribulation Road, Kimberley

**Value: Priceless**

-  **Threat of development:** High
-  **Location:** Adjacent to declared Nature Refuge. Six Rainforest Rescue properties are located nearby
-  **Animals:** Essential habitat for the Cassowary and many other rare and endemic species
-  **Biodiversity:** High
-  **Conservation value:** High

This pristine tropical rainforest urgently needs protecting from the threat of development. Located nearby six properties already owned by Rainforest Rescue, it would be a significant acquisition.

**The rainforest provides Essential Habitat for the Endangered Southern Cassowary.**
