Dear Sponsor

I hope all is well with you.

I am writing to let you know that I will not be part of the Sponsorship Program anymore. I am in the University now, in Engineer school, very focused on my studies.

I currently do not have any kind of limitations due to my burns, so I will not need surgery nor therapy this year.

Growing up in COANIQUEM has been very special for me and my family. As you already know, my burn injuries were very serious. I needed a long rehabilitation treatment and many surgeries. However, I am almost done. Thanks to you and the great team of COANIQUEM.

I would like to thank you for your support through all these years and hope you can continue sponsoring another child.

Sincerely,

Mirko
