HELPING THEIR RECOVERY

Hello, my name is **Paola**,
I'm 16 years old and live in
San Felipe, Chile.

At the age of three my sweater
caught fire and I suffered burns
on a large part of my body.

I've undergone several
reconstructive surgeries in
COANIQUEM and still need
some more.

During therapy, I stay in
Casabierta with my mom and
go to the school on campus.

**Thanks for supporting my
treatment.**
