

*Hi, my name is Martin.  
I was born on March 9<sup>th</sup>, 2005  
in Los Andes, Chile. My face,  
abdomen, arms, hands, legs  
and feet got burned while  
playing with matches that set  
fire to a mattress. I was only  
four years old.  
I have been in rehabilitation  
treatment in COANIQUEM  
since 2009.*
