

Dear Baby Buggy,

I wanted to express my sincere gratitude for all that you have done for me and my family over the last few months.

You have made my life a lot easier. It was also nice to not have to go out and spend whatever money I did have on some items that I really would not have been able to afford.

Almost everytime I received something, I would smile and then almost immediately start to cry. During this time, it's nice to know that people care about you and want to help you.
