It was like a dream to me when I was called by M.C.F. staff to be interviewed and see if I had the qualifications. All ~~when~~ went well and I was approved to be one of the beneficiary of M.C.F. The door of M.C.F. was wide opened for me and my kid.

Thank to the staff members ~~effort~~ in assistance and guidance whenever I needed them. The motivation that you have given me to see the world differently. I appreciate everything that you have done for me as a team.

I joined M.C.F. when I was nothing and now am proud to say that I'm something and I hope that I will graduate from something to someone. I know that my effort will not go in vain.

I am proud to meet you guys and I Confesse that you are like a family to me because when I'm in trouble you stood by me, You don't want to see me shading tears you wiped them with love and affection as one big family (M.C.F.)

M.C.F. is not a place of Corruption, political, illegal activities and ethnicity but it is a place of love, refuge and e.t.c. M.C.F. members are honest, loving, caring and e.t.c. that is why it is called Mathare Children Fund.

Staff members have helped me to cross the bridge without drowning into the river, you have shown ^{me} the right way and I will not take ^{it} for granted, I will continue moving positively to be someone out there.
