

Your donations to Sun Shade Foundation will be used in the following ways:

A) Financial Support (Micro lending Program)

1. Your contributions and supports can and continue to go a long way to support our cherished clients. Our clients are only interested primarily for a loan of up to **GH¢300.00 (\$188.00)**. These loans allow beneficiaries to expand their businesses with profits for savings and feeding of their family with good nutritional foods.
2. Your contribution of up to **GH¢1,000.00 (\$625.00)** for example can serve as many as 3 clients in a group, to get themselves out of extreme poverty per our model.
3. A contribution of up to **GH¢3,000.00 (\$1,875.00)** for example can serve up to 10 first-time clients to improve their confidence and to reduce poverty among their households.
4. Again, a contribution of up to **GH¢10,000.00 (\$6,250.00)** can also go a long way to support as many as 33 first time clients especially women to reduce poverty, feed family and take children to school including access to better health care.
5. Moreover, a contribution of up to **GH¢50,000.00(\$31,250.00)** can serve the working capital needs of an entire community who are able and willing to get themselves out of poverty in order to enjoy one square meal a day, provide quality health care, food with good nutritional components, quality education and an improved shelter.

B. Entrepreneurial advisory services

Part of your donations will be directed towards the training of the beneficiaries in basic financial management and various aspects of savings. There will also be giving series of motivational seminars to help build their self esteem including self confidence.

C. Clothing assistance

Part of your support will be used to mobilize used clothing from interesting people. It will be washed thoroughly and then redistribute to various orphanages and the needy in our society.
