Christopher Dowswell

In conjunction with the family of Christopher Dowswell, Winrock International announces the establishment of the Christopher Dowswell Scholarship Fund.

Chris was aide-de-camp to Nobel Laureate Dr. Norman E. Borlaug for more than 30 years. He joined the Sasakawa Africa Association (SAA) in 1991; formerly SAA's Director of Communications, he was appointed joint Executive Director in 2009. Following Dr. Borlaug's death in 2009, Chris worked tirelessly for SAA's objective of supporting smallholder farmers in the association's focus countries of Ethiopia, Mali, Nigeria and Uganda.

Chris' family wishes to honor and continue his work by establishing and providing initial funding for the Christopher Dowswell Scholarship Fund. Providing opportunities for women and reaching women farmers was a priority of Chris' work. Therefore, the fund will provide educational scholarships for African women in agriculture, particularly extension, in order to improve the productivity and well-being of rural women.

Chris' family would welcome additional contributions to help honor his dedication to the less fortunate. As a registered 501 (c)3, your donation through Winrock is tax deductible, a tax receipt will be mailed to you, and you'll receive updates on scholarship recipients. To make a donation to the scholarship fund, please make your contribution to Winrock International - Christopher Dowswell Scholarship Fund, and mail it to Winrock International, 2101 Riverfront Drive, Little Rock, AR 72202.
