

# Health Care Services

## First Quarter 2026 Highlights

**Community outreach** is at the heart of what we do. The Community Health Workers (CHWs) remain active in the surrounding communities, providing education, vitamins, immunizations, and other important health resources. CHWs continued to deliver prenatal vitamins, deworming tablets, and Vitamin A 100,000 IU and 200,000 IU to kids every 6 months.

### Diabetes and High Blood Pressure Screenings

In March, during their third visit to Kakata, the non-profit organization **Liberia Medicals Inc.** conducted diabetes and blood pressure screenings at the Waterfield Medical Center.

# MINISTRY PARTNER SPOTLIGHT

## Barrels Of Love

The women of the Deborah Circle (pictured above) at Asbury UMC crafted surgical gowns for children at the Waterfield Medical Center. These gowns were included in the November 2025 Barrels of Love shipment. Below are images of the gowns in use at the Medical Center. A heartfelt thank you to the Barrels of Love donors — what a wonderful blessing!

## How to Partner with Us

Partnerships fuel the work of Healthy Women, Healthy Liberia

- ✓ Prayers
- ✓ Serve on Board of Directors

# Services Delivered

## HEALTHY WOMEN, HEALTHY LIBERIA'S WATERFIELD MEDICAL CENTER

- ✓ DENTAL
