Wheelchair Basketball Tournament Report Global Giving Fund

I. Wheelchair Basketball clinic activities:

- Place for clinic: Indoor stadium of Center Medical for Rehabilitation
- Based on our training we provide 4 days on 4-6 March 2014. Evening time: 5:30-19:00 pm.
- Based on the initial set of athletes to attend all 4 teams like team Lao Disabled People's Association (LDPA), team Center Medical for Rehabilitation (CMR), team Vocational School for the Disabled (Sikeud) and ADDP project.
- But the fact that only 3 teams, teams from Sikeud can not come to practice with us they practiced together at school, but we invited new player come to join with us.
- Player come to practiced 22 people.
- Practice in this Court has coordinated with the AAR of Japan to help to provide programs in subjects in practice (Coach) and we were honored by the AAR invite coach from Japan to help in the training of the applicant Mr. Nakata

7. Results

On 07/03/2014 a competitive atmosphere Overall, the atmosphere is fun, especially athletes and visitors from many parts of the attention and full as it is expressed when the competition started:

- Athletes are more competitive and well taken seriously and fun:
- Has been shown and described conditions wheelchair sport - basketball guests to join you listen and ask questions that are of interest from several parties

8. Future plan:

- Continued competition as normal as possible
- To encourage women to play a wheelchair basketball 2 team
- We would like to organize wheelchair basketball tournament in Oudomexay province after finish sport national game last year 2014.
