ABOUT NUR FOUNDATION AND ITS IMPACT + PROGRAMS

NUR Foundation, part of the Fatima Memorial System (FMS) in Lahore, is a registered non-profit organization committed to empowering underserved communities through access to quality healthcare, education, and social welfare. Since 1985, the foundation has worked to uplift vulnerable populations with compassion and sustainability at its core.

NUR
CENTER FOR
RESEARCH & POLICY
INFORMING POLICY, REFORMING PRACTICE

Supporting this mission, the NUR Center for Research and Policy (NCRP) functions as the foundation's technical and research wing—offering data-driven insights, training, and policy support to improve public health and education systems.

Together, NUR Foundation, NUR-FMS, and NCRP work toward building a more equitable and resilient society.
