

**Connecting the dots to build
stronger leaders in Haiti...**
one student at a time.

500 MILES FROM THE USA...

... AND A WORLD AWAY.

HARD FACTS ABOUT HAITI:

- Haiti has **no national free public education** system available.
- The 2010 earthquake destroyed **28 of 32** higher education institutions.
- About **50%** of Haitians can not read and write.

GREAT NEWS FOR HAITI!

- The Business and Technology sectors are **growing** at a rapid rate in Haiti.
- There are more **paid job opportunities** than there are qualified, skilled Haitian workers.

*Investing in lives of
Haitians through education
from age 5 to adults...and
into job assistance!*

The background of the image is a solid black field filled with a repeating pattern of orange human icons. These icons are stylized, with circular heads and rectangular bodies, and are arranged in a grid-like fashion, alternating between male and female forms. In the center of the image, there is a white rectangular box containing text.

MATTHEW 25:35-36

- *“For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.”*
