

BOLDFACTS

Mission:

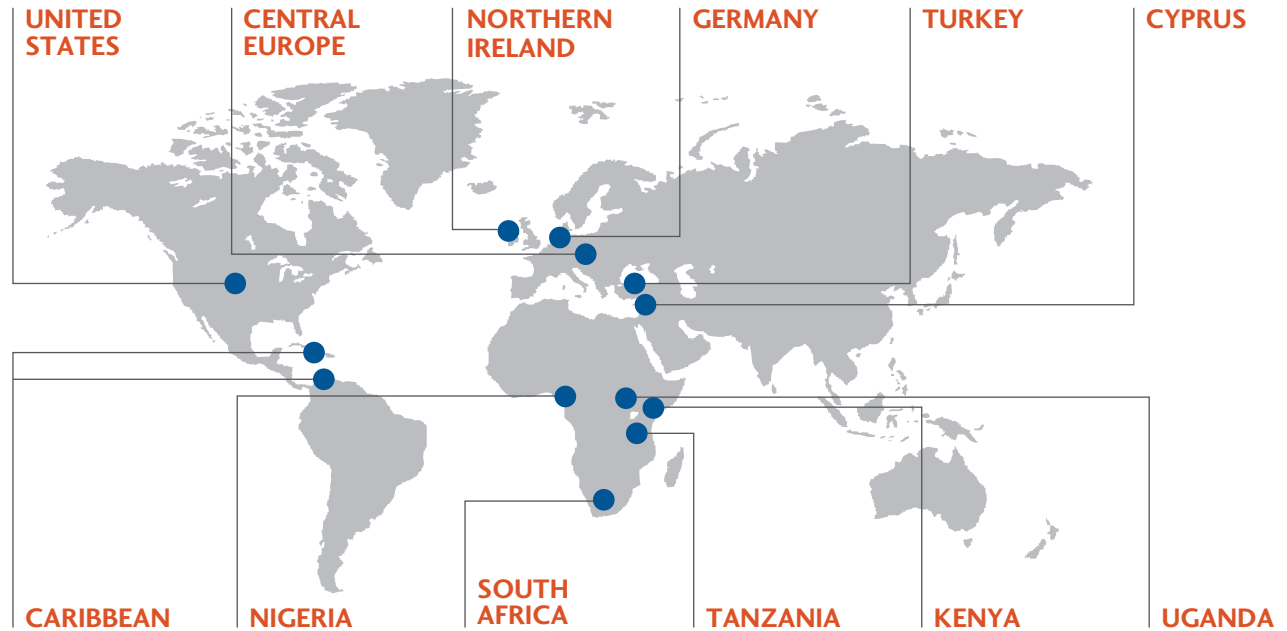

To Cause BOLDLeaders. We bring teenagers from around the world to the United States, and take teenagers from the U.S. to other parts of the world, to teach them tenacity, participation, collaboration, connection, and going one step beyond their comfort zone. They return to their communities to be thought leaders and action takers with passion to start civic projects of their own design. They become the BOLDLeaders that our future demands.

Objective:

We seek to ignite, nurture, and sustain 3,000 BOLDLeaders and reach 10,000 people around the world in the next three years through host families, participant communities, and follow-on projects.
