

**ORGANIZATION FOR BUILDING COMMUNITY RESOURCES-OBCR
ENGLISH TRAINING PROJECT CENTER FOR CHILDREN (OBCR-ETPC)**

Project title: Help US provide English learning to Cambodian kids (#15182)

SENG Sitha:

Sitha is 11 years old and smart girl in the class when she has free time she always helps her parents and read a book. She likes play school game and sing a song with her friends during the break time.

She always listens and practices speaking carefully with volunteer teacher from ASEAN countries. Further, she has a good memory and active girl in the project.

She can do homework regularly. She always gets high score, By the way, not studies she only English languages at ETPC School, but complying the implicit value- good morality and primary hygiene promotion.

Her parents mentioned during parents and project reflection meeting. 'This is unforgettable changes through external contribution'.

ETPC guides her and other students both personal and social relation; she has a lot of knowledge learning from ETPC.

She always speaks with good word to her friend and family and each other, especially in her living village (*Damnak Ampil village and commune*).

SENG Sitha is the right side with her classmates

In the future she said to be that. 'I want to be a good doctor because my desire to help all poor people that meet health problem and I also want to earn a lot of profit for my family.'
