NOTICE OF OBJECTION

To the Registrar:

We, the *Sepik Free The River and Our Lives (SFTRAOL)* of East Sepik Province object to the grant/extension of term of LMP 94 & LMP 98 (registered prefix and number) on the following grounds –

1. There is a strong spiritual and cultural link to the Sepik River. The Sepik River is our Welfare, Livelihood, Identity and Social Safety Net.
2. The project will destroy fish breeding grounds in Murik Lakes, Angoram District and the diversified and beautiful ecosystems.
3. We have evidences that Frieda Mine has already caused extensive damages.
4. The project does not comply with the 4th National Goal of the Constitution of PNG.
5. The Sepik River will be destroyed by the chemicals used as it was seen in Fly River by Ok Tedi Mining Ltd.
6. Recently the Constitutional Law Reform Committee (CLRC) recommended a Ban on all Riverine Tailings.
