

In the “Minicompany Program” students learn how to take a business idea from concept to reality. They form their own real enterprise and discover first-hand how a company functions. They elect a board of directors from amongst their peers, raise share capital, and market and finance a product or service of their own choice. At the end of the Programme they present a report and accounts to their shareholder

The program is supported by teachers/volunteer advisers from the business world who are on hand to guide and mentor the companies.
