Everyone Deserves

A Night Out

Dedicated to providing adult victims
of domestic violence safe, healthy
entertainment in Chicagoland

Our mission is to provide adult victims of domestic violence and abuse a brief escape from their everyday world.

Who We Help

A Night Out provides services to victims of sexual violence and abuse in the Chicagoland area. We work with people living in residential/transitional housing, in addition to shelters, those who would benefit most from a night away from their daily struggles. We consider them **"the forgotten people."**

How You Can Help

If you know of an organization that could benefit from our services, please contact us at info@anightout.org

We Want to Work with You

The goal of A Night Out is to bring our special programs to established organizations currently serving this population. All programs are free of charge to the organization and its participants. We rely on monetary and in-kind donations from individuals and organizations, allowing us to bring you these events.

"Darkness cannot drive out darkness: only light can do that."~ Dr. Martin Luther King, Jr.

We believe that a respite, even as brief as an evening out, will offer participants a glimmer of hope and a feeling of importance.
