| <b>Organization name</b>   | Health and Water Foundation  |
| <b>Your name</b>   | Paul Sadat   |
| <b>7.1 What are the major lessons for GlobalGiving from this organization?</b>   | Basically this organisation is teaching on personal hygiene,which is the key to healthy individual which basically transforms into a healthy nation.   |
| <b>7.2 What does this organization most require to become more successful on GlobalGiving?</b>   | The project will require empowerment and education in accounting for their expenditure,this is quite apparent since we were not able to see any financial projects.  |
| <b>7.3 What does this organization most require to become more effective in general?</b>   | Even though the organisation seems to be doing quite a number of project that is providing positive change in all the areas that they work in,its quite important for them to maintain accountability records for them to attract more funds that it may desperately require for expansion.  |
| <b>7.4 Organization's overall monitoring: How do they measure outputs, track towards outcomes, and ultimately measure life-changing impact on the people served?</b> | The Organisation tracks its outputs by liasing with the ministry of health to see how their existance has impacted on health issues.<br>The organisation also works closely with primary schools and this has greatly assisted them in realising there outcomes since the level of abseentism due to diseases has generally gone down. |
| <b>7.5 Nonstandard accounting practices: Did anything suggest possible misuse of funds?</b>  | We were not able to see any records as we were informed the accountant was not present   |
| <b>7.6. What obstacles did you face working with this organization?</b>  | We did not face any obstacles while dealing with this organisation.  |
| <b>7.7. What would you change about our evaluation process?</b>  | The time frame was too short since this organisation has a field office more than 500 Kms from the main office.  |
