

Campento de Fe, is a home for those who are sick or injured, who have no family or resources to care for them. Here, their physical and spiritual needs are cared for.

We have a few adopted families for whom we help provide food and a few basic needs to help sustain their own resources.

The kids in one of our adopted families, just got new backpacks and school supplies. (Take a good look at their faces, because in a few years we are going to need help paying for their schooling*.)

* In Mexico families have to pay for school after 8th grade, therefore many kids do not continue their education.

Voice of the Bride "Worship and Compassion" Ministries exists for two purposes.

We are committed to serving the poor and needy, specifically in Mexico. Daily, we are either picking up donated food supplies for distribution in Tijuana, or distributing food and other items to those in need in the poorer parts of Tijuana. This includes orphanages, rehabs, elderly homes, women's shelters, infirmaries, and various street outreaches, where many people hear the Gospel, as well as receive food for their families.

VOB is also committed to furthering the Kingdom of GOD through worship and intercession, believing that prayer and worship 'grease the wheels' of mission work. VOB has sponsored and led worship in several targeted worship and intercession events. We have led worship at various outreaches in Tijuana, and are holding regular worship events in San Diego, designed to encourage people to spend extended time before the Lord in worship and prayer, and, specifically, to extend GOD's Kingdom on behalf of the nations through worship and intercession.

Voice of the Bride is a 501(c)(3), non-profit organization, with every gift being tax deductible. Thank you so much for your participation. Please feel free to share this information with friends or interested parties. Your help can make a big difference in furthering the Kingdom of GOD!

VOICE OF THE BRIDE MINISTRIES

- COMPASSION

Worship is essential when desiring to bring peace to a place of hardship and distress. The Lord is faithful to draw men unto him. Worship sure does it!

Outreaches to the homeless, living in the streets and aqueducts of the Tijuana River. Many are addicts, but some agree to go to Christian rehab with us.

Food and basic needs are delivered to various Christian (and non-Christian) rehabs throughout TJ. A donation of shoes to VOB, put smiles on the faces of these guys.

MAKING A SMALL DIFFERENCE DAY BY DAY

VOB assists in several weekly dispenses of bread, produce, and sweets, which are distributed in some of the poorer colonias, helping families provide balanced meals.

Our "mercy" medical fund helps relieve some of the miscellaneous medical costs for families with a sick loved one, (like this young girl who is now free of cancer), along with dental, and other unexpected emergencies.

"El Refugio" is a home for the elderly and infirmed. In normal Mexican culture, the elderly remain in care with their families. However, these folks either have no family, or are unable to be cared for, due to lack of resources of the family.
