Dear Mr. Anderson

I'm Itami Kyoka of the Sendai YMCA international Hotel school. Thank you for coming over from the United States to Sendai last winter. I could talk with Mr. and Ms. Anderson and regret that the feeling of thanks was not conveyed well while I was very glad. Until I meet you next, I will study English more and want to do my best so that I can convey two-year thanks. I was able to spend very substantial one year after I entered the hotel school on the coattails of Andersons in April of the last year. I went to job training in summer and winter. It is very hard but I managed the job. In addition, I learned a lot from the relation with a friend and a lecturer in the school life. I become a second grader from this spring. The job hunting begins soon, and I will have busier days than before, but I want to keep smile. Then next winter, I will do my best that I can tell you good news. You seem to be busy, but please take care of yourself.

Kyoka Itami
