

Dear Sponsor,

How are you doing? Hope all is well. Me am okay now although I broke my hand during the long holiday.

My name is Lukwiya Mark. I am 9 years old in primary three going to Vashon Education Centre.

My best subjects are English and Maths. I love my teachers because they are so loving and caring.

My best colour is yellow and my best food is rice and beans.

My best games are hide and seek and climbing trees but since I broke my hand I don't think I will be doing it again. I will also stop running around the compound with my friends.

We love playing soccer a lot.

I want to be a pilot when I grow up because I love aeroplanes and I love travelling a lot.

Thank you for all your help so far

Lukwiya Mark.
