

Just One Opportunity

Making a Difference

Where is Nicaragua?

MISSION

Our mission is to train pastors, teachers, small business owners and community leaders in remote villages in Nicaragua so that they can be leaders in their communities, provide for their families and become self-sustainable

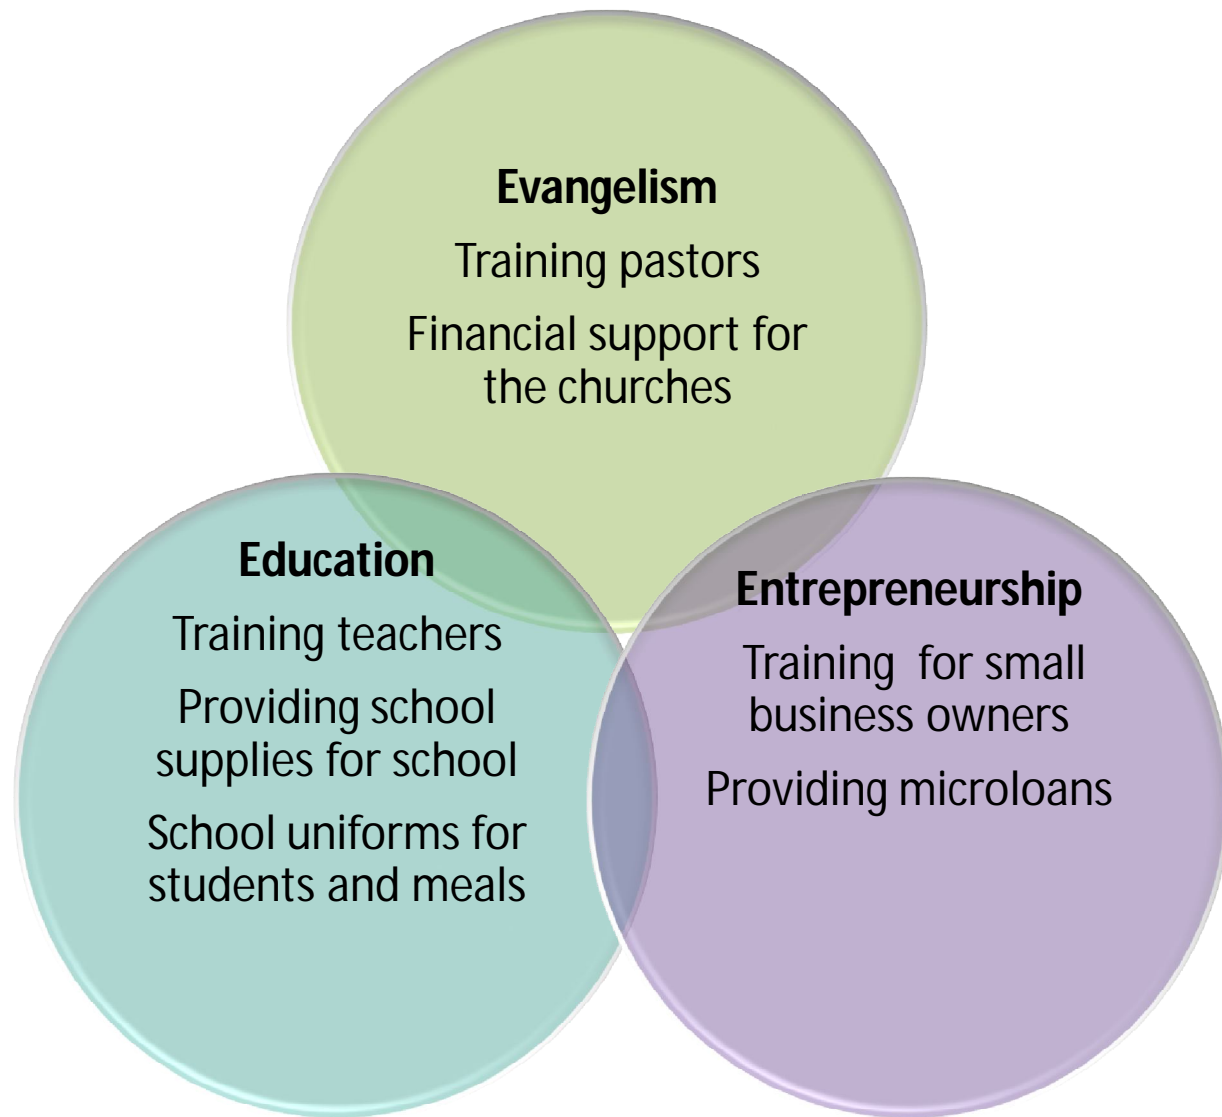

VISION

Our vision is to empower impoverished communities so that people can discover their God given potential and rise out of poverty. By 2015, 50 pastors, 50 teachers, and 50 small business owners will have been trained
