

## **URGENT: LIST OF MEDICAL AND REHABILITATION EQUIPMENT NEEDED IN THE PHILIPPINES**

**World Rehabilitation Fund (WRF) is partnering with the Philippine Academy of Rehabilitation Medicine (PARM)** to rebuild rehabilitation medicine programs in two hospitals in the Philippines damaged greatly by the typhoon Haiyan. Rehab departments tend to be on the ground floor of hospitals, therefore, these were especially devastated. The equipment requested below comes from physicians, members of the PARM. Dr. Tyrone Reyes, founder of PARM and its 1st President is WRF's representative in the Philippines.

**Please contact WRF at 212-532-6000, or at [wrfnewyork@msn.com](mailto:wrfnewyork@msn.com), or [ldursunova@worldrehabfund.org](mailto:ldursunova@worldrehabfund.org) if you would like to contribute or donate any of the items.**
