Ayúdanos a ayudarlos

OUR MISSION...

We are a conservation organization that houses seized wildlife and through its display in natural settings aimed at achieving animal welfare, we encourage the awareness of the diversity of the Cauca Valley and Colombia, and the current problems for preservation; based on the development of educational, cultural and recreational projects that promote community environmental management identifying the role each citizen plays in conservation.

OUR HISTORY...

La Fundacion El Refugio, born in Cali in 2005 as an initiative of private enterprise for the custody, protection, conservation and management of a tropical dry forest area of approximately one (1) hectare, within the urban area of Cali.

In this area there are ecological reported more than 42 species of plants and 48 species of native animals department, witness how impressive has been the transformation of our city.

Caiman crocodilus - Bobilla

Guacamayo bandera - Ara macao

Callitrix pygmaea - Titi león

OUR HISTORY....

La Fundacion El Refugio, is a non-profit organization that promotes education, research and environmental conservation in the local, regional and national biodiversity. It is individuals shelter wildlife confiscated by environmental authorities of the department who have been rescued from the illegal wildlife trafficking; more than 28 native species that are part of an important gene pool for the country.

OUR SERVICES...

TOURS

Our mission is to multiply the desire and the need to preserve the flora and fauna. So we gave tours for individuals, groups and families visiting scholars.

Through formal and informal education, The Refuge Foundation develops in people awareness, appreciation, curiosity and respect for nature, becoming an inspirational educational tool that allows people to commit to their role and act positively in favor of conservation.

OUR FRIENDS...

PRIVATE ORGANIZATIONS

We have the support of the private sector, through financial support, in addition to generating a tax benefit on the payment of taxes and allow the use of our facilities, help us to fulfill our mission.

SPONSORSHIP

In order to support the maintenance of our animals, you can make a financial contribution, becoming a sponsor of one of the individuals in the collection..

OUR FRIENDS...

VISITORS

Organized groups who visit us or the general public who joins us every Wednesday afternoon, have the opportunity to support us through a voluntary donation.

ON LINE DONATIONS

Through our web site : www.elrefugio.com.co may make donations by credit card or direct to our account.

OUR ACHIEVEMENTS...

Thanks to the invaluable support of our friends, since 2005, for 9 years, The Shelter Foundation has managed to protect a hectare of tropical dry forest within the urban area of Cali; individuals harboring wildlife that have been rescued from trafficking in wildlife, ensuring their welfare and educating our visitors, encouraging each person to identify the role as a citizen plays in the conservation of our biodiversity.
