*The Humane Society of Dallas County has been a rescue organization since 1975. In 1987 we established Dallas' first no kill animal shelter, Dog & Kitty City.*

*Our goal is to place healthy, rehabilitated animals into loving, responsible, permanent homes. We spay or neuter all animals before adoption, our policy to help decrease animal over-population. All animals are tested for disease, treated for parasites and have all vaccinations as required.*

*All animals in our care have a home for life at our sanctuary should they not be adopted.*

**Dog & Kitty City** relies completely on donations from individuals and corporations. There are many ways in which you can help. We are a non-profit 501c3 organization, so your donations are tax deductible.

**Cash Donations.** Cash, check, Visa, MC or via PayPal. Checks can be made payable to HSDC or *Dog & Kitty City* and mailed to the shelter. Go online to make credit card donations at [www.dognkittycity.org](http://www.dognkittycity.org).

**In Kind Donations.** A gift of goods or services will help, such as an item from our wish list, supplies for the shelter or service for the shelter as carpentry or office work.

**Donate to the Thrift Store.** Usable household goods can be donated by calling 972-557-3476. They pick up, provide a receipt for tax purposes and your donation results in a monetary gift from the store to the shelter.

**Shop at Tom Thumb.** Tom Thumb donates 1% of a customer's purchases to the named charity. Linking your Tom Thumb Reward Card (using #1567) to Dog & Kitty City results in donations directly to us.

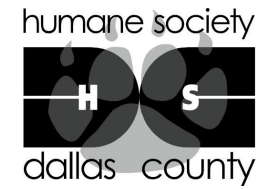

**Become a Guardian Angel for one of our neediest residents.** Complete the GA form on line and submit it electronically or to our mailing address. By becoming a Guardian Angel, you commit to an active, ongoing role in supporting our sanctuary animals.

# ADOPTIONS

Animals are available for adoption from the shelter as well as off-site locations on Saturdays. Our adoption fees, which cover current vaccinations, tests, microchip and spay/neuter for your pet are \$100 for cats and \$175—\$300 for dogs, varying with age, size and breed. We provide support services to ensure animal retention in their new home.

### Animal Surrender

If you have a pet that needs rehoming or have rescued a stray dog or cat, we accept new animals on a space available basis and by appointment only. We only decline animals for lack of space, never due to condition, age, health or temperament. We require a surrender fee.

If the shelter is full and you are willing to foster the animal, we will enroll you in our Guest Foster program and post a photo/bio on our web site. You may also bring the animal to our off-site adoption locations to help find a permanent home.

### Sanctuary Program

As a no kill shelter, we provide a permanent home for any animal not adopted and a sanctuary for pets who are not good adoption candidates. This includes older, disabled pets and FELV positive cats.

The sanctuary service is on a space available basis.

## Our Mission

Our mission is to make life better for animals by:

- Rescuing and ministering to the indigent animal population of the metroplex;
- Providing shelter, attention and medical care for all of our animals until they find a loving home;
- Providing on-going adoption support services to ensure a lifetime commitment from pet owners;
- Eliminating animal cruelty through education;
- Helping reduce animal over-population with low cost spay/neuter referral programs;
- Fostering a respect for all living creatures.

## Volunteering

If you love dogs and cats, we offer endless opportunities for you to express this love through our volunteer program.

As a **Dog or Cat Socializer**, you walk, groom, play with, train and love our dogs and cats. This helps prepare them for a permanent home. You also help staff monitor any obvious health or behavior problems.

**Adopt-A-Pet Assistants** work off-site at cat and dog adoption events, helping care for the animals and meeting potential adopters.

Our **Events** volunteers assure shelter survival by manning various community awareness and money raising events.

We cannot survive without volunteer support, so the time and energy you give assures our doors staying open and more animals being rescued.

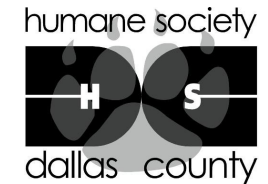

For more information, visit our web site at [www.dognkittycity.org](http://www.dognkittycity.org) and enroll today!
