Re: Donation from GGM for Ebola Crisis

Dear First Lady,

On behalf of Greatest Goal Ministries USA I would like to present you with a monetary donation of \$5,300.00 USD to be used for disinfectant supplies and personal protective equipment for the people of Sierra Leone to help combat the Ebola crisis.

The presentation will be made by GGM Sierra Leone staff on behalf of the organization. Those making the presentation will include: Umaru Lukay, Lonnel Kargbo, Phillip Sesay, Milton Kepler and Pastor Alfred Yambasu.

We ask that a press release be issued by your office in regard to this donation and photos to be taken. After the purchase of the items any pictures of the distribution would also be appreciated. Those photos can be sent by email or on Whats App.

Myself, the GGM Board of Directors and volunteers are very concerned about the crisis now unfolding in Sierra Leone and pledge our full support in whatever way possible in the way of assistance. 100% of funds raised for the Ebola crisis will be sent directly through your office in the future.

Our prayers and thoughts are with the families of those who have perished and for all of you who are working with great determination to contain the virus.

God Bless,
