Education support to 300 slum children of Rayagada

Implementing Organization: Shakti Organization, Rayagada, Odisha, India.

During the March-16, our students appeared in their respective annual examination and the result declared in April-16. Out of our 1st batch 300 children, 68 children secured more than 60 %, 147 children secured more than 50 % and 85 children secured more than 40% in the examination. It's a good achievement of our special coaching initiative. We are planning to have the facilitation of those children in their community, who secured more than 60 % in the Annual exam. There will be a short break of two months (15th April to 15th June) of our pogramme during this summer vacation. We are very much thankful to the donors, who supported this programme and the community who has taken the ownership of the pogramme.
