

"LAMBS FOR SCHOOL" CERTIFICATE

Dear _____

This holiday season, I have sent a donation of \$_____ in your name to the "Lambs for School" (Mouton-École) Project supported by Friends of Burkina Faso. Each donation of \$80 will enable a young village girl in northern Burkina Faso to complete six years of primary school as well as four years of junior high school, provided she passes qualifying examinations.

Fully 100 percent of all donations received by FBF will be spent on the recipient students themselves. All funds collected via this certificate will be used to pay for school materials (pencils and paper), clothing to wear to school (a t-shirt and skirt), and the acquisition of a young lamb. Each student and her parents will raise the lamb and sell a fattened sheep at the end of the school year. The proceeds from this sale will be used the following year to purchase another young lamb. In this way, each \$80 gift will enable a young girl to achieve a primary and, possibly, a secondary school education.

Very best wishes to you during this holiday season and in the New Year,
