

## **GIRLS NOT BRIDES EMPOWER PROJECT MINI REPORT**

By Ms Kahumuza Jennifer,  
Area Coordinator (Kabarole)

July, 2018

Joy for Children started Girls Not Brides Empower project in Karangura Sub County to prevent and reduce the high prevalence rate of school dropout. The major cause has mainly been early pregnancies and child marriage. This has underlying origin of social – cultural norms and beliefs that girls are meant to be house wives.

Local leaders from the same sub county are trained on how to respond to issues of child marriages and teenage pregnancies.

Joy for children is implementing the project in two schools; Kibyo and Mahyoro Primary schools.

**BIIRA JANET:** She is out of school and doing saloon work in Kihondo trading center. The old goat was withdrawn from and given to her sister Kabugho Stella and she was left with the kid.

**KITSAMA GETRIDE:** she is out of school, when the mother separated with the Father all the children went along with their mother so her where about is not known. The father sold the goat.

**KABUGHO DOROTHY;** sold one goat at p7 to get money for registration, sold another one at s1 to get money for the uniform.

**MASIKA LINNET:** The goat died and she dropped out of school because she was not bright in class.

**BIIRA JOVIA:** The goat died, she is out of school and married.

**LOICE THUNGU:** Goat died and was replaced by another one from Thungu Evaket.

**BIIRA JOYCE:** The goat died but the parents were still willing to pay her school fees and she deliberately left school.

**MITTE OLIVER:** She is supposed to be in S1 but she deliberately left school so we have to withdraw the goats and give them to other children.

**BIIRA HARRIET** old goat died and it is not yet replaced.

**MASIKA MOLLY** is the daughter of the LC1 Chairperson; she finished p7 and did not join S1 so she is digging in the village.

**NYANGOMA JOY:** JFCU used to sponsor her so the parents cannot afford secondary Education fees. So they discussed with Madam Joy to transfer the goats to her sisters who are still in primary.

**MBAMBU SPECIOZA:** She was impregnated and gave birth. The mother requested that the goats be given to her sister for the mean time. When the child grows she will be able to go back to school.

## **CHALLENGES**

- Some of the girls who were being supported by JFCU dropped out of school due to lack of school fees and therefore some ended up getting married.
- The reusable sanitary towels that were given to the girls got old and thus it still remains a challenge in the school since most of the girls cannot afford buying sanitary towels every month.
- Some of the girls lack scholastic materials like books, pens this leads to poor grades and sometimes they drop out of school.
- Most of the girls come from poor backgrounds therefore cannot afford to pack lunch on a daily basis. This affects their performance in class and sometimes the older girls find means of sustaining themselves and end up becoming victims of early marriage and teenage pregnancy.
- Lack of motivation to the teacher coordinators in charge of the project.
