7.1 What are the major lessons for GlobalGiving from this organization?	The is professionalism intergrated with simplicity in the running of thdsi project. Bneficiaries are involved at all levels of management, it was amazing how every program person was familiar with the projects records including finances. The youth in the project show outstanding leadership of the process.
7.2 What does this organization most require to become more successful on GlobalGiving?	Their funds have not been released by Global Giving todote, so they have operated on borrowed funds for this particular project, It is imaperative that the funds be released to them ASAP
7.3 What does this organization most require to become more effective in general?	Funds and more funds. It is among the few local organizations without foreign offices that has well established management systems in place.
7.4 Organization's overall monitoring: How do they measure outputs, track towards outcomes, and ultimately measure life-changing impact on the people served?	The project has an open door policy, beneficiaries and donors can walk in any time and get access to information, they also hold regular meetings with the community to get feed back. They have internal monitoring systems in place through site visits, reports and an opinion box.
7.5 Nonstandard accounting practices: Did anything suggest possible misuse of funds?	Non whatsoever
7.6. What obstacles did you face working with this organization?	NONE
7.7. What would you change about our evaluation process?	The process if candid and perfect, the only area that need checks is the fact that projects should honor any engagements that Global Giving proposes. They should not be allowed to operate within their own time frames especially when it come to evaluation exercises.
