Usha's big break at UrbanClap!

Having completed her diploma course in cosmetology from VIDYA Mandira Margam Program, Usha applied for a job at UrbanClap. In no time she managed to establish herself as a freelance beautician and is now earning INR 50,000 a month. Life has finally taken a positive turn for Usha and her family! She takes immense pride in introducing herself as a working woman in the Nathupur community and aspires to open her own salon as well! Congratulations Usha!

All set to be entrepreneurs!

The diploma ceremony for the second batch of the Shringhaar project at the Mandira Margam Program was held in December at Shenaaz Herbal's office.

We thank Ms Nelofar Currimbhoy for mentoring our women and United Way Of Delhi for supporting the Shringhaar Project.

Here comes Santa with his bag of joy!

Christmas~ the festival of love and compassion is the favorite time of the year for our children, as it marks the onset of the winter break.

Dressed up as little elves, snowmen and Santa Claus, our children across all the VIDYA centres had a fulfilled Christmas celebration. Thanks to our donors and partners who surprised our children on the occasion by taking out time to spend a day with them.
