Children's Reconstructive Surgery & Research Center

Congratulations to our supporters

On behalf of House of Charity and the children we serve, I would like to thank you for your continuous support and help.

With great pleasure would like to inform you that The House of Charity has started its 1st Children's Reconstructive Surgery and Research Center in Lahore Pakistan. It is a 12 bedded facility with complete rehabilitation department. Our goal is to provide life changing medical and surgical treatment to 500 burn victims in one year.

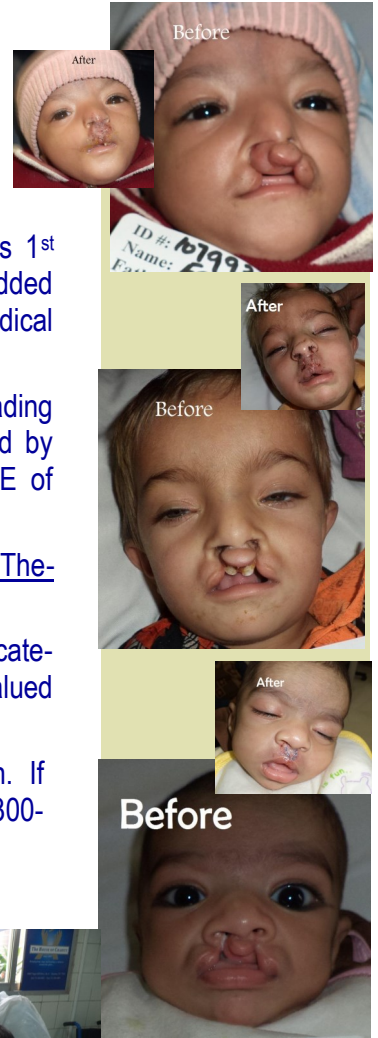

It is the mission of Children's Reconstructive Surgery and Research Institute to be a leading Center of Excellence in Burn Treatment and Reconstructive Surgery in Pakistan staffed by highly trained and experienced professionals delivering world class medical care FREE of charge to deserving patients with compassion and dignity.

For more information please visit our face book page: https://www.facebook.com/pages/The-House-of-Charity/176573192400590?ref=br_rs

Through this letter I would like to request your help and support. Help in any of the below category will be greatly appreciated. Sponsors name will be displayed on the brick wall of valued partners. 100% funds will go toward the project.

Together, we can continue to bring help, hope and healing to deserving children of Pakistan. If you have any further questions, please do not hesitate to contact me on my cell at 011-92-300-451-4961.

Thank you for your continuous help and support. I look forward to your reply.

Patient of the month...

Little Zain from Behari in Chishtian.

Little cutie pie Zain came in our clinic with severe burns on his left hand, arm, body and leg. He was admitted right away. His wound was infected. There was a chance that his arm would be amputated. After 4 surgeries and intensive wound management that lasted over 2 months we were able to save his arm. Little Zain belongs to a very poor family and has 5 siblings. He is patient of the month because he is always smiling
