## Talim Island's Major Event

In September 24, 2017, Talim Island held its first public recital at their local chapel. With the direction of Orchestra of the Talim Island Youth administrator and Talim Island mentor, it was a successful one-hour varied program of solos, duets and ensemble. The scholars' parents, relatives and neighbors from Barangay Tuna and Balibago were very enthusiastic to see the children of Talim Island showcase their talents who started as beginners since the satellite opened in April 2014 and now called The Orchestra of Talim Island Youth.

Talim Island scholars with Satellite Director, Dr. Felicidad Prudente, mentors and Ang Misyon Inc. staff during the recital held last September 24, 2017.
