

Dear Donors,

I would like to express my deepest gratitude for your generosity and invaluable support in making possible the purchase of a vehicle adapted to my situation. Your help has had a huge impact on my life, and without this vehicle, my situation would have been a nightmare.

Because of my lower limb disability, my movements were extremely limited and my life was greatly affected. Everyday tasks, which may seem simple to many, became insurmountable obstacles for me. I often felt isolated, dependent on others for my movements and unable to live my life to the full.

Thanks to your generous donation, I was able to acquire this adapted vehicle, which literally changed my life overnight. I can't put into words how precious this new-found freedom is to me. I can now get around independently, go wherever I want and carry out the simplest tasks without having to constantly ask for help from others. Your support has opened up a multitude of possibilities for me and transformed my existence from a state of nothingness to a promising future....

Your generosity and empathy towards those in need are an inspiration to me. You have reaffirmed my faith in humanity and proved that, even in a sometimes difficult world, there are kind-hearted people who truly care about making a difference. Your donation is not only a financial contribution, but also a sign of affection and solidarity that warms my heart.

I would also like to express my gratitude to all those who participated in this initiative, whether through charity, fundraising or any other form of support. Your collaboration has been essential to the realization of this project, and I am sincerely grateful to you all.

Once again, my warmest thanks. Your generosity has transformed my life in incredible ways, and brought a glimmer of hope in difficult times. I will always be deeply grateful to you, and will strive to make good use of this vehicle to pursue my dreams and, in turn, help make the world a better place.

With all my gratitude, especially to Madame Anne Cordonnier
