

NWBR Alum Sissy

ABOUT US

Northwest Boxer Rescue (NWBR) is a non-profit 501(c)(3) founded in Central Washington in 2011.

The rescue operates as a **no kill, kennel-free** organization, utilizing a wide network of foster homes and volunteers to support its mission.

NWBR is a **100% volunteer operation** taking place throughout the Northwestern States including, but not limited to, Washington, Oregon, California, Idaho and Montana. The organization is managed by a CEO and an experienced Board of Directors.

NWBR believes that **every Boxer deserves a chance to live a happy life in a loving home**. Abandoned or homeless Boxers will always find shelter, medical care and ultimately a new home through our efforts.

By working with committed volunteers and local veterinarians, we are able to rescue hundreds of Boxers every year, provide them with loving, temporary care and place them into forever homes.

Working in conjunction with city and county groups, **NWBR strives to educate the public and help end animal overpopulation and needless suffering.**

The commitment to share the love of Boxers is never ending. **We never discriminate against Boxers in need on the basis of health or age.**

All NWBR animals are evaluated, vaccinated, microchipped, spayed or neutered and receive any necessary medical treatment before they are placed in carefully screened homes.

TESTIMONIALS

"After adopting Lola from NWBR, my wife thought she was going to end up as "my dog" because I'd be the one spending the most time with her. After hearing countless giggles and squeals, I know she isn't "my dog" at all. She is 100% my son's dog, no question."

Jim Goodwin

"Adopting a rescue dog will change your life in both subtle and profound ways. To earn the trust of an animal, especially one with a difficult or tragic past is one of the greatest accomplishments I have ever known. My experience with NWBR has been an amazing adventure and I would highly recommend adopting from this organization."

NON-PROFIT 501(c)(3)

NWBR Alum Bella

NWBR Alum Chief

NWBR Case Study

Kimmie came to NWBR with severe mange. Donations and care in a loving foster home gave Kimmie her second chance at a new life.

ADOPT

1. Application

The first step in adopting from NWBR is to fill out an application on our website. **We want to get to know you and match a Boxer to fit your needs.**

2. Verification

It is important for us to make sure we place each and every Boxer in a safe environment.

NWBR will contact your references and vet office, may ask to come to your home or ask for photos of your yard, conduct a phone interview and discuss available dogs to find the best match to your lifestyle and home environment.

3. Meet and Greet

With an approved application on file and a potential match agreed upon, the final step is a meet and greet. We encourage you to bring along all household members, including other dogs, when the meeting takes place. **If everything goes well you are able to take your newest pack member home with you.**

4. Adoption Fees

Adoption fees are used to provide all necessary vet care prior to adoption. **Puppies to 1 year:** \$300-500, **2 to 6 years:** \$200-300, **7+ years:** By donation.

FOSTER

❖ Expectations

NWBR asks that you simply provide love, structure and a safe environment, treating a foster dog as you would your own. **You will play a critical role in the life of each dog, allowing them to escape their past and grow into a loving, trusting animal.** We cover the cost of all pre-authorized vet care and provide you a local area coordinator who will be available to assist with any questions or concerns along the way.

❖ Home Inspection

A NWBR representative will schedule a time to come to your home and review a checklist to ensure you are prepared and can provide a safe environment. **You will receive a manual that outlines our expectations and guidelines.**

SURRENDER

Contact NWBR if you or somebody you know needs help rehoming their Boxer; they will only go to qualified homes, giving you confidence that the dog will be well cared for. Surrendered dogs stay in foster homes, never in kennel facilities. All dogs will be microchipped, spayed or neutered, brought up to date on shots and have any other medical issues taken care of before being placed into a forever home.

You know your dog better than we do. If you are in an owner surrender situation, the more information you can give us regarding medical or behavioral history will help us learn more about the dog. **Please, do not hesitate to share the bad as well as the good;** we know no dog is perfect.

You may begin the surrender process by filling out the appropriate paperwork online at www.nwboxerrescue.org, please feel free to contact us with any questions or concerns.

HOW TO HELP

❖ Donate

NWBR relies heavily on your support to help us provide medical care for Boxers in need. Please consider a tax deductible, one-time or recurring, donation through PayPal. We also have an Amazon Wishlist so you can purchase tangible items so you know exactly where your money is going.

❖ Sponsor

We are often asked to take Boxers into the rescue that require special medical care or long-distance travel. For these occasions, we open a unique sponsorship for the incoming dog(s). These fundraisers help ease the extra hardship NWBR incurs financially.

❖ Volunteer

Each person has a unique skill set. If you think you have something to offer, let us know. We are always looking for extra help.

❖ Transport

We commonly rely on traveling volunteers to help save a dog from a shelter or other dangerous situation. After transport, the Boxer is placed into a safe, loving foster home. **If you travel often and can help a dog in need, let us know!**

Social Media

NWBR adoptable dogs can be found on our website, Facebook, Petfinder and other social media sites.

Applications

Please go to www.nwboxerrescue.org to fill out an application to adopt, foster, and/or volunteer.
